Talk about Telephone Tyranny:

From the Chicago Tribune July 20,  
1913:Suits against the Chicago Telephone  
company to force it to replace tele-  
phones taken out of his drug store  
and to recover damages, it is expected,  
will be filed next week by M. W. Ran-  
kin of 3538 South State street.The action of the company in tear-  
ing out telephones because subscribers  
also had the automatic service will  
be one of the first things called to  
the attention of the new complaint  
bureau when it is organized within  
a few days.That the company has the right to  
give or refuse service to druggists or  
those having public telephones was  
the contention yesterday of A. R. Bone,  
commercial superintendent of the com-  
pany. This was denied by Ald. Sitts,  
chairman of the gas, oil and electric  
light committee, which drew up the  
ordinance under which the company  
is operating."The druggists and others are merely  
agents for the company," is the ex-  
planation Mr. Bone gave. "They are  
working for us and we can discharge  
them if we wish. They cannot repre-  
sent us if they also represent a com-  
peting company. These men are paid  
to have the telephones in their places  
and we have the right to control  
them.""That is rubbish," commented Ald.  
Sitts. "The telephone company must  
give service to any person or firm in  
Chicago demanding it if it is phys-  
ically possible. There is nothing in  
the ordinance giving this so-called right.  
The complaint bureau will be ready  
to start work in a few days and these  
cases probably will be among the first  
taken up."Judge Charles A. Williams is mak-  
ing the excellent record on the Mu-  
nicipal Court bench that all his friends  
predicted he would make.The water meter promoters have a  
regular corps of writers employed to  
urge water meters in every flat  
through the "letters from the people"  
columns of daily papers.Judge Thomas F. Scully is making  
a fine record on the Municipal Court  
bench. He is a hard working and  
conscientious judge.Stand up for personal liberty when  
the issue comes up at the polls and  
you will never regret it.The leading members of every so-  
ciety and club in Chicago read The  
Eagle.Frank J. Hogan, the popular and  
well-known lawyer, would make a fine  
Municipal Judge.Remember the cause of personal  
liberty and keep it out of personal  
scramble for office. That will keep it  
strong and vigorous.Whenever you get a wrong num-  
ber remember your phone trust.The Progressives will name candi-  
dates for all offices this year. They  
would be foolish if they did not.No imported beer on the market to-  
day has met with greater success than  
that handled by August Luchow. The  
Original Pilsener, from Pilsen, Bo-  
hemia, is sold by this big concern, as  
is also the famous Würzburger Hof-  
bräu from Würzburg, Bavaria. These  
beers are the favorites at Chicago's  
leading clubs, restaurants and buffets.  
They are without a peer. The Chicago  
office of August Luchow are located  
in the Stock Exchange building, 30  
North LaSalle street and are under  
the management of Hans Luchow. Mr.  
Luchow has made a splendid record  
for the business in the West and he  
enjoys a widespread popularity among  
Chicago's leading business men and  
citizens.—Advertisement.
